VOLUME VII.—NUMBER 106

PADUCAH, KY., WEDNESDAY EVENING, APRIL 24, 1901

10 CENTS PER WEEK

STRIKE IS OVER

The Miners Were Successful In Their Demands at Central City.

HAVE RETURNED TO WORK

King Humbert's Assassin Is a Ravaging Maniac from Treatment of Jailer.

CASES CONTINUED AT FRANKFORT

Central City, Ky., April 24.—The 200 miners employed by the Central Coal and Iron company returned to work today, their contention having been won.

The strike was purely local, and did not affect but one of the seven mines.

The strike was caused by the refusal of the company to discharge four men who refused to pay assessments to keep up the Hopkins county strikers. The 200 other miners claimed that the four miners, by their refusal, proved themselves "scabs."

ASSASSIN IS CRAZY.

Rome, April 24.—Bresci, the assassin of King Humbert, is said to be a raving maniac from the horrible tortures of his jailers.

CASE CONTINUED.

Frankfort, April 24.—All the suite of minor state officials under Gov. W. A. Taylor against Auditor Compte for salaries except that of S. R. Hemphill, Powers' secretary.

In this case the court held no cause of action, indicating that all will be quashed.

GHOLSON WINS.

The county committee convened this afternoon at the county courthouse at 8 o'clock to consider "Squire" H. C. Hartley's contest against Mr. F. F. Gholson, for magistrate in the seventh district. Mr. Gholson on the face of the returns, won by three votes.

The committee decided in Mr. Gholson's favor.

DESPONDENT YOUNG WIFE.
Mrs. W. F. Harris Took Morphine with Suicidal Intent.

Mrs. W. F. Harris, aged 17, attempted suicide yesterday afternoon by taking a dose of morphine about 8 o'clock at the home of her mother, 1025 South Fifth street.

Dr. Troutman, after hard work, got her out of danger. She was formerly a Miss Stephen, and married Mr. Harris, who is 35 years old and a blacksmith, only a few months ago.

Recently he left her and had the furniture seized and carried away from the house in which they resided, on Nocton street, near Fifth. She returned to her mother, and says she has tried to induce her husband to return and live with her but he refuses, and there is no further happiness for her in this life.

KILLED HERSELF.

RHODA GREER GRIEVES OVER THE WAYWARDNESS OF HER

Children and Takes Poison—The Doctors Were Not Called in Time to Save Her Life.

Rhoda Greer, a colored woman living at 822 Court street, took about 15 cents worth of morphine last night and died from the effects shortly afterward. She had been having trouble about her children lately and took this method of relieving herself. This is the only thing that her rash deed can be attributed to. Her daughter, Lucinda Greer, fainted soon after and for a time was very ill and it was reported that she too had attempted suicide, but it was a mistake. Dr. Robertson and Sights were summoned to the bedside of the woman, but were not called soon enough, and although they worked very hard, nothing could be done to save her life.

One of the woman's sons, John Greer, is serving a sentence in jail for assault, and another son, Robert Greer, was yesterday held over to the grand jury for housebreaking.

A man living at the house saw her with the morphine, and attempted to get it away from her, but snatched only a portion of it.

He is crippled and when he accidentally succeeded in calling a doctor she was past medical aid and lived only a short time.

The deceased was 45 years old and leaves several children. The time for the funeral has not been fixed.

Coroner Phelps held an inquest at 10 o'clock this morning and the verdict was that the woman died from morphine poisoning taken with salient.

WOMAN HELD.

CHARGED WITH MALICIOUS CUTTING IN THE POLICE COURT.

A knife and a guitar are the instruments that played an active part in a fight between Ella King and Sarah Anderson, colored, on Fifth street near the Palmer House alley late yesterday afternoon.

The women fought over the alleged attentions paid the King woman's beau by the other. The King woman was injured slightly with the guitar and the other woman cut on the shoulder. The Anderson woman was acquitted and the other held in the sum of \$150 for malicious cutting.

Dicey Dixon, colored, for using obscene language on the street, was fined \$1 and costs.

Joe Mayhew, for a plain drunk, was fined \$1 and costs.

Jeff Walker, colored, charged with obstructing the gutter at Second and Jefferson streets, was left off with the costs. His nine yards and has not been very pleasant where he placed the trash taken from them. He will likely be in the future, however.

VISITING PARTY

Prominent Men From South Bend, Ind., en Route up Tennessee River.

GO TO JOPPA, ILL., BY RAIL

They Embark on the Lulu E. Warren and Will Probably Stop in Paducah.

10 BE ENTERTAINED AT WAVERLY

A party of distinguished South Bend, Ind., business men will pass Paducah tomorrow en route up Tennessee river on the Lulu E. Warren, which they will board at Joppat, Ill. They left South Bend Monday, and will arrive at Joppat over the C. and E. L. railroad.

At Joppat the gentlemen will be

some guests of the Tennessee River Transportation company, the main office of which is in South Bend, and which has extensive lumber interests in Tennessee and, although less than a year old, is doing a large business in telegraph poles, railway ties, fence posts and general lumber. Its officers, leading South Bend men, are D. McHenry, President; J. H. Matthews, vice president; C. W. Stover, secretary; Charles H. Millhouse, treasurer and general manager.

The steamer Warren will leave here today to meet the party at Joppat, and stop at Pittsburgh Landing, on the Tennessee river. The party received many invitations to visit other places, but were enabled to accept only the hospitality of the people of Waverly, Tenn., who have elaborate preparations for their reception and entertainment when they arrive here.

They leave the boat at Johnsonville and proceed to Waverly by rail.

A committee of five prominent Waverly citizens will meet the visitors at Johnsonville. Supper will be served in the evening and the drive will be enjoyed Friday morning. At Johnsonville, the party in charge of Mr. Matthews, will be turned over to A. E. Justice, a prominent merchant and landowner of Waverly. During the trip an opportunity will be offered the company's guests to inspect some of its large lumber property. The deceased was quite well known here, especially among the railroad men.

A delegation from the Brotherhood of Railway Trainmen left this afternoon to take charge of the remains and take them to Winger.

The deceased was a son of Mr. Edward Lucas, of Winger, and was about 35 years old.

He was not a relative of Mr. Ed.

Otto and W. P. Overstreet, for \$1,900. His body was found in a pond on the side of the railroad track. It is supposed he was murdered and his body thrown there by tramps.

Lucas was quite well known here, especially among the railroad men.

A DAILY THOUGHT.

From the tillings of the soil to the tilling of the soul, through all arts, occupations, and professions, the man who shuns his task is the great disorganizer.—E. P. Whipple.

If the pop-over Curious-Journal would say what it has to say about Mr. W. J. Bryan, the ex-politician, in about nine-tenths less space, it is barely possible that somebody besides the pro-reefer would try to fathom the profound wisdom that at intervals is revealed to its readers. If Mr. Bryan tries to wade through it, no wonder he is beginning to exhibit signs of paresis.

The miners and shippers in England threaten to suspend the coal trade of the United Kingdom by continuing co-operation unless the export tax is withdrawn. In the meantime they are still shipping coal, and it is said have the promise of the chancellor of the exchequer in exempt contracts made prior to the presentation of the budget. As England has more to lose by maintaining the tax, it is probable that will yield to the demands of the shippers.

REAL ESTATE DEAL.

ABRAM PHOEBE BOUGHT BY MESSRS. FRIEDMAN AND NAHM.

Messrs. Joseph L. Friedman, of the city, and Max B. Nuhn, of Howling Green, have purchased the Abram property, adjoining the R. Loeb residence on Broadway near Fifth. They bought 57 feet 9 inches, and paid nearly \$10,000 for it. The new owners will erect a fine building on the site in the near future.

NEWSPAPER OUTFIT.

MR. E. W. WHITTEMORE GOES TO DAWSON TO CLOSE A DEAL.

Mr. E. W. Whittemore went to Dawson today on business. He owns a newspaper outfit at Dawson and went there to meet Mr. T. H. Stone, who wants to lease the outfit and start a paper in Sturgis.

CONSOLIDATION AGREED TO. Louisville, April 24.—The synods of the Northern and Southern Presbyterian churches have agreed to the consolidation of Center college and Central university after an all day meeting. The fight will probably be carried to the courts by the Richmond people, who strongly oppose the consolidation.

BLOOD.

We live by our blood, and on it. We thrive or starve, as our blood is rich or poor. There is nothing else to live on or by.

When strength is full and spirits high, we are being refreshed, bone muscle and brain, in body and mind, with continual flow of rich blood. This is health.

When weak, in low spirits, no cheer, no spring, when rest is not rest and sleep is not sleep, we are starved; our blood is poor; there is little nutrition in it.

Back of the blood, is food, to keep the blood rich. When it fails, take Scott's emulsion of cod-liver oil. It sets the whole body going again—man woman and child.

We'll send you a little to try, if you like. SCOTT & HOWE, 409 Pearl street, New York.

K. T. OFFICERS.

REV. W. H. PINKERTON ELECTED COMMANDER—A NEW TREASURER CHOSEN.

Paducah commandery No. 11, Knights Templar, last evening held its annual election at Masonic hall.

Rev. W. H. Pinkerton, pastor of the First Christian church, was elected commander.

Mr. Geo. M. Oehlenschlaeger, Sr., who had been treasurer of the commandery for 27 years, declined to accept the honor again, and his nephew, Mr. John H. Oehlenschlaeger, the druggist, was elected to succeed him. Mr. Oehlenschlaeger will be presented with an elegant gold headed cane, suitably inscribed, by the commandery as a token of its appreciation of his services for the past quarter of a century and over.

The officers elected were: Rev. W. H. Pinkerton, commander; J. R. Coleman, generalissimo; B. D. Davis, captain general; E. L. Hendricks, private; C. E. Whitesides, senior warden; H. W. Hills, junior warden; J. H. Oehlenschlaeger, treasurer; Chas. Holliday, recorder; O. W. T. Gates, standard bearer; H. R. Hank, warden; G. O. Ingram, sentinel.

HIMES IN HOCK.

HE TELLS HIS TROUBLES TO THE POLICE.

Oscar Himes, of Paducah, an amateur prize fighter, who is well known in police circles here, is in trouble at St. Louis. He was arrested on complaint of his father, Jacob Himes, for disturbing the peace.

He told the police at St. Louis that he married Annette Moseley here last May. The girl is quite well known. He claims that he married the girl after returning from service in Co. F, First California volunteers, in the Philippines.

He left Paducah two weeks ago for St. Louis and secured employment at the Lindell Hotel as a barber. He was taken home by his brother-in-law, who promised to effect a reconciliation, but his father drove him away and had him arrested. He declares his people renounced him because he married a Gentile.

His wife is still in the city.

MARRIED AT MAYFIELD.

MR. CHAS. PARHAM, A PADUCAH BOY, WEDS MISS SARA FOSTER.

Mr. Chas. H. Parham, formerly of Paducah, and Miss Sara G. Foster, of Mayfield, were married at Mayfield last evening at 6 o'clock.

Mr. Parham is a brother of Mrs. Hall, of the Sontbern Hotel, and is clerk there. His bride is daughter of Mr. R. E. Foster, a well known grocer.

They left for a trip south, and will be at home at the Southern Hotel after May 1.

DOG RAISING UNPROFITABLE.

Mr. Ike Friedman, the tailor, has concluded that he will stop raising dogs. He recently had a fine water spaniel he fed for six months. When it got large enough to exhibit some signs of intelligence, somebody stole it. He then got a fox terrier, carefully reared it for six months, and yesterday somebody stole it. He will go out of the dog business for keeps.

OLD RESIDENT DEAD.

Mrs. S. E. Colley, who was well known to a great many of the people of Graves county, died a few days ago in Hickman county, and was buried at the Colley graveyard, near Coba. Mrs. Colley was one of the oldest settlers in Graves county, locating there in 1855. She was born and reared in Christian county.

MARRIED IN A BUOY.

Fulton, Ky., April 24.—John H. Pittman and Miss Ella Boyd, of Water Valley, were married by Rev. Roberts in South Fulton. The couple were united while sitting in a buoy in the alley at the foot of Commercial street. Rev. Roberts gave them his blessing.

CHAROED WITH LARCENY.

Fulton, April 24.—Will Davis, charged with stealing \$25 from Berry Anderson, at Dukedom, was arrested at Fulton and taken to Mayfield for trial.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires a constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful, it acts directly on the blood and unconscious surfaces of the system. They offer one hundred dollars for any case it fails to cure. STOMACHS THAT WON'T WORK

THAT RETAIN THE FOOD AND REFUSE TO DIGEST IT, MAKE THE HEAD HEAVY AND THE NERVES WEAK, NEED STUDY'S DYSPEPSIA TABLETS.

There is a cure for dyspepsia. Sufferers who have tried noxious cures will probably be sceptical but scepticism vanishes when Stuart's Dyspepsia Tablets are tried. Whether the trouble is dyspepsia of long standing, or merely simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be taken.

Heaviness after eating, sour stomach, as indicated by belching, fatigue with slight exertion, or with no exertion at all, disturbed sleep, nervousness, constipation, depression, "blues," these things can commonly be set down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form.

By promoting perfect digestion, Stuart's Dyspepsia Tablets produce strong nerves, restful, refreshing sleep, pure blood and good sound healthy flesh. They make the skin clear, the eyes bright, the mind cheerful.

Stuart's Dyspepsia Tablets are a medicine and more than a medicine. They digest the food and make it easy of assimilation, and they relieve the inflamed, diseased condition of the membranes lining and the glands of the stomach and bowels. They help the digestive organs over the hard places, and put them into a healthy, active condition. They effect a quick and permanent cure. You don't have to continue taking them forever, still it is well to have a box handy and take one at the first return of the trouble.

Perfectly well people are made sick by eating too much, or unwholesome food, but not if they take a tablet after eating. Treatment with Stuart's Dyspepsia Tablets does not necessitate dieting or any change of habits. They digest the proper food and act upon the other kind in such a way as to make it pass off quickly and harmlessly. You may eat and drink what you like, when you like, and as much as you like if you take a tablet afterwards.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents for full size package.

A FORMER PADUCAHAN

MR. J. W. JACKSON AND FAMILY ARE VISITING THEIR OLD

Home—Mr. Jackson had a lumber yard here thirty-one years ago.

Mr. James W. Jackson, wife, son and daughter of Denver, Colorado, are at the Palmer House.

Thirty-one years ago Mr. Jackson left Paducah for the west in search of health. He had a bronchial affection which the doctors said was consumption and was thought to be hopelessly ill.

He located near Denver, and in time became largely interested in a gold mine. It is said he is now a millionaire, but he was not questioned on this subject.

Mr. Jackson used to own a lumber yard up about where the iron furnace is, and remembers many of the older citizens.

He is now a large, robust man, and needless to say, would never have recognized his old home town, owing to its phenomenal growth since he left it.

NOW IS THE TIME.
